## General Comment

Adam Brandon Chief Executive Officer, from Freedom Works Wrote me and told me that:

Obama wants to make it hard for me to retire! The Department of Labor is starting to enact regulations that would restrict how I use my own money for retirement. Obama and his cronies believe I'm not smart enough to plan for retirement. This is the epitome of the progressive nanny state mentality. Obama and the progressives want to control what I eat, how much I make, my health care, and NOW my retirement.

Well i'm here to tell you that "Im smart enough to plan for my own retirement!"

Thank you
